For: COFIRED MULTILAYERED PIEZOELECTRIC  
CERAMIC MATERIALS WITH BASE METAL  
ELECTRODES

**DECISION ON PETITION  
UNDER 37 CFR § 1.48(a)**

This is a decision on the AMENDMENT AND PETITION TO CORRECT AND/OR ADD TO ORIGINAL NAMED INVENTOR(S) UNDER 37 C.F.R. § 1.48(a) filed November 7, 2003 to correct inventorship under 37 CFR 1.48(a) by adding the name of Alfons Kelnberger to the list of inventors of the instant application.

The petition is **DENIED**.

A petition to correct inventorship as provided by 37 C.F.R. § 1.48(a) requires (1) submitting a request to correct the inventorship that sets forth the desired inventorship change; (2) providing a statement from each person being added as an inventor that the error in inventorship occurred without deceptive intention on his or her part; (3) providing a declaration of the actual inventors as required by 37 C.F.R. § 1.63; (4) providing the processing fee set forth in 1.17(i); and, (5) providing the written consent of the assignee. This petition lacks item (2) - a statement from each person being added as an inventor that the error in inventorship occurred without deceptive intention on his or her part.

Any questions regarding this decision should be directed to the undersigned at (571) 272-1189.
